Angelique's Romance
With Girls And A Guy

In a futuristic world of the late 21st century, an ageing woman and her girlfriends decide to share the same man.

Millions of men have renounced relationships in favour of robots. But most women still crave relationships with real humans.

Meet Angelique: her friends think she's nuts - and they're not far wrong. She decides to share her man with her best friend. Then her best friend meets a sensual woman in her 70s, with a fetish for domination. What ensues is a crazy series of adventures (and misadventures). It all escalates when Angelique meets a shy, submissive woman who wants to break out of her shell - someone who can become her slave.

Available on Amazon and Kindle.

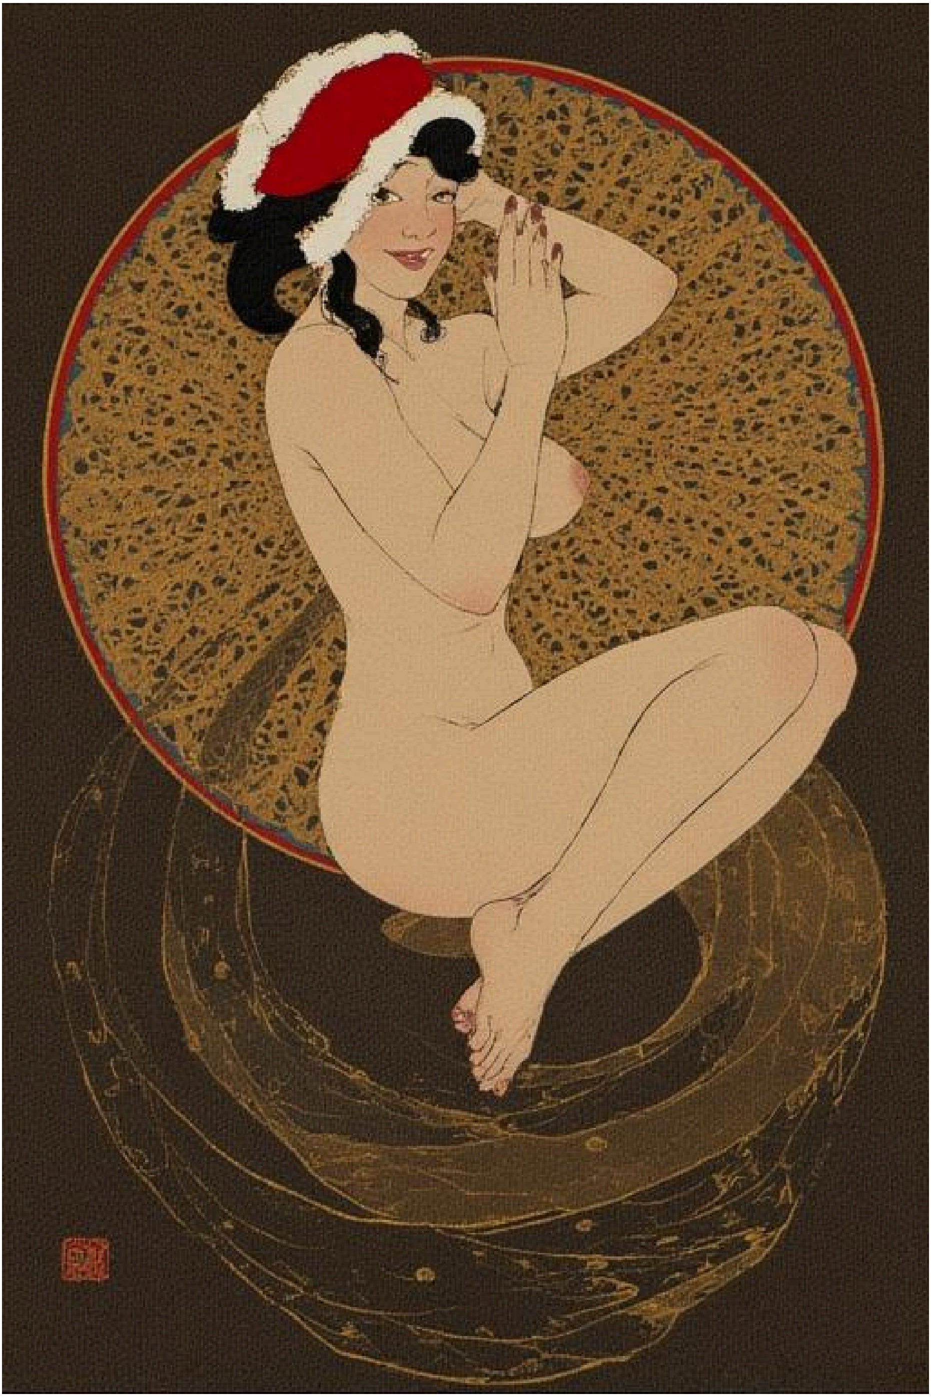
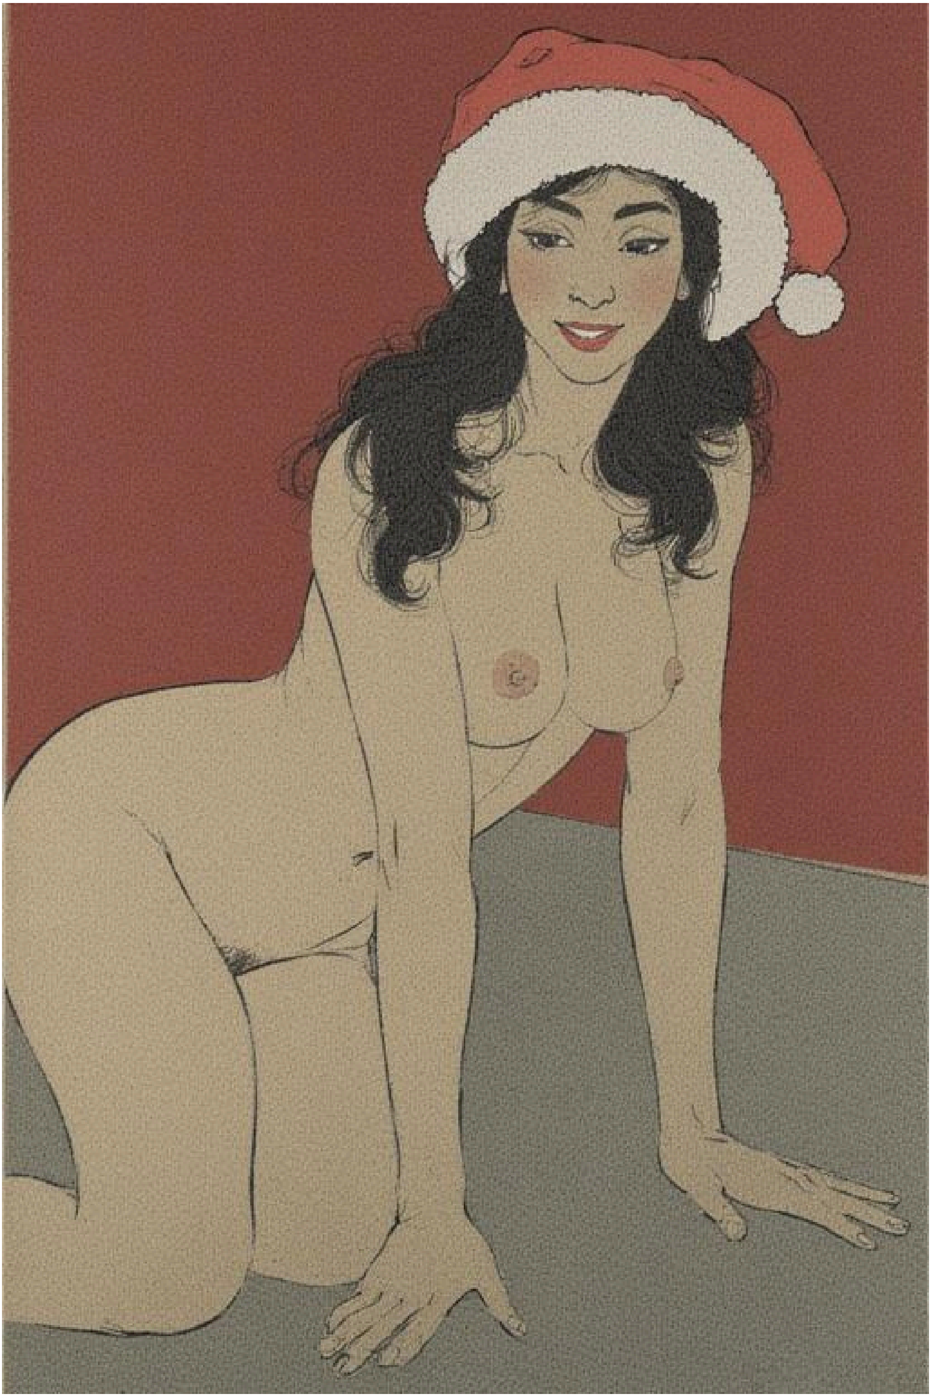
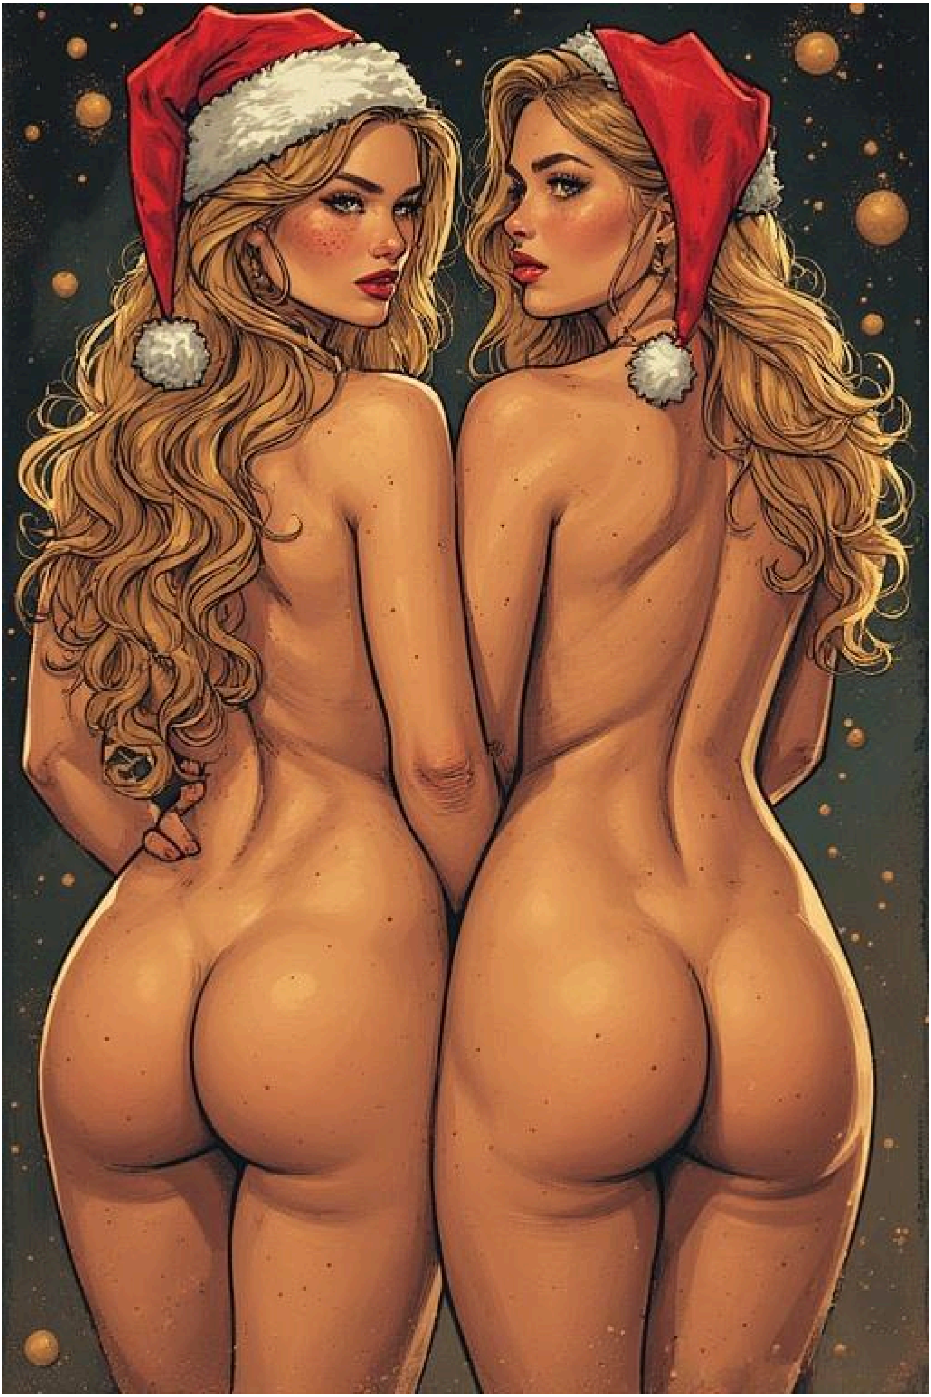
Xmas Babes

One thing we know about Christmas is that it’s a time of presents and surprises. A time when beautiful women display their charms to brighten up the festive season. Ho ho ho!







Tied Up Women

Being tied up is a fantasy of many men and women alike.

Unchained Women

Some of our readers hate seeing women tied up, since they’re not technically naked, if they’re wearing ropes.

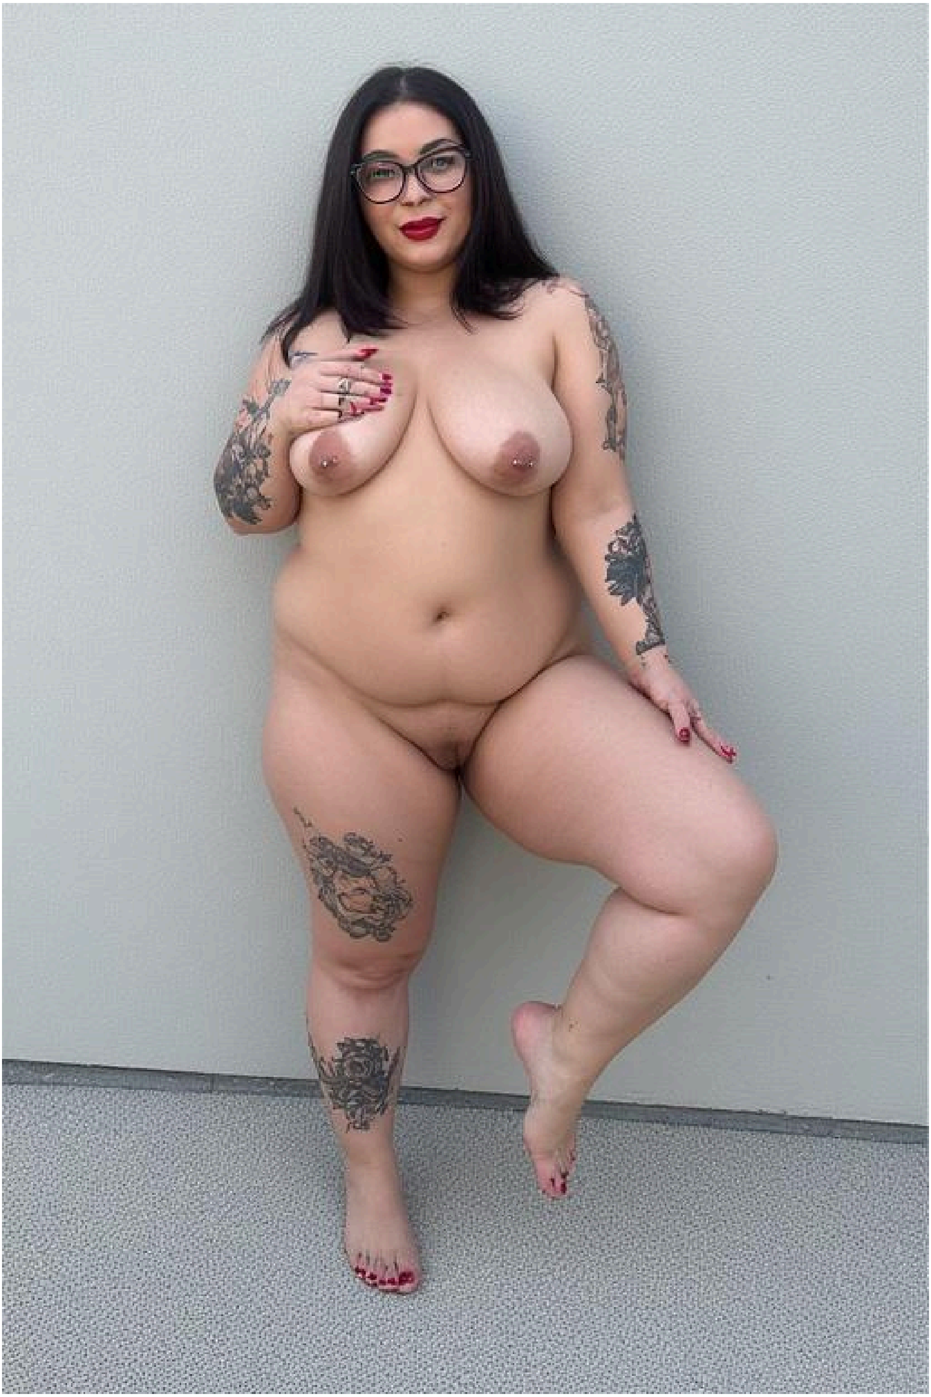
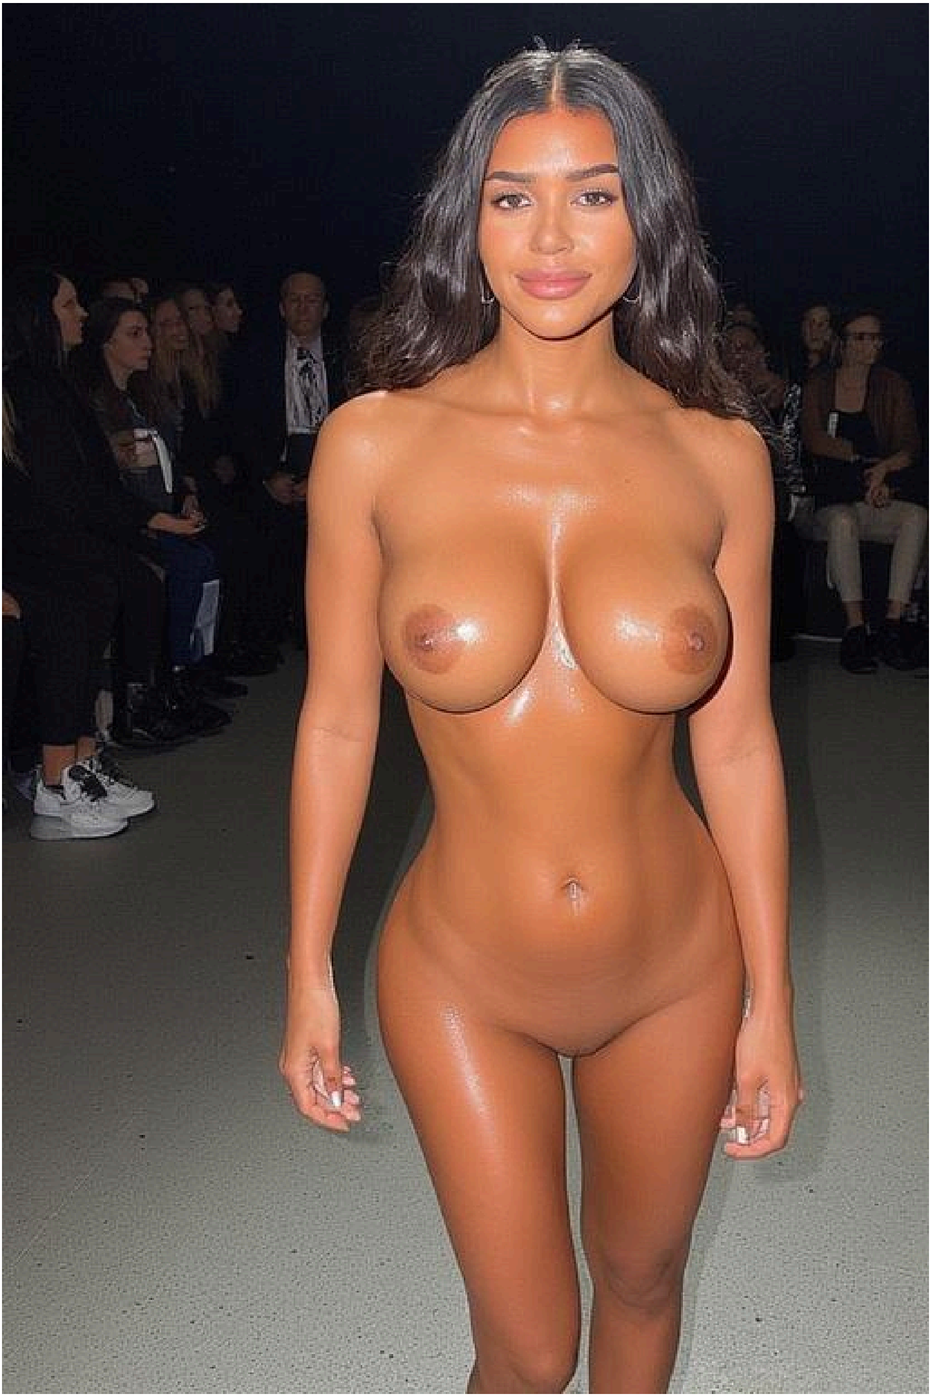
Librarian Ladies

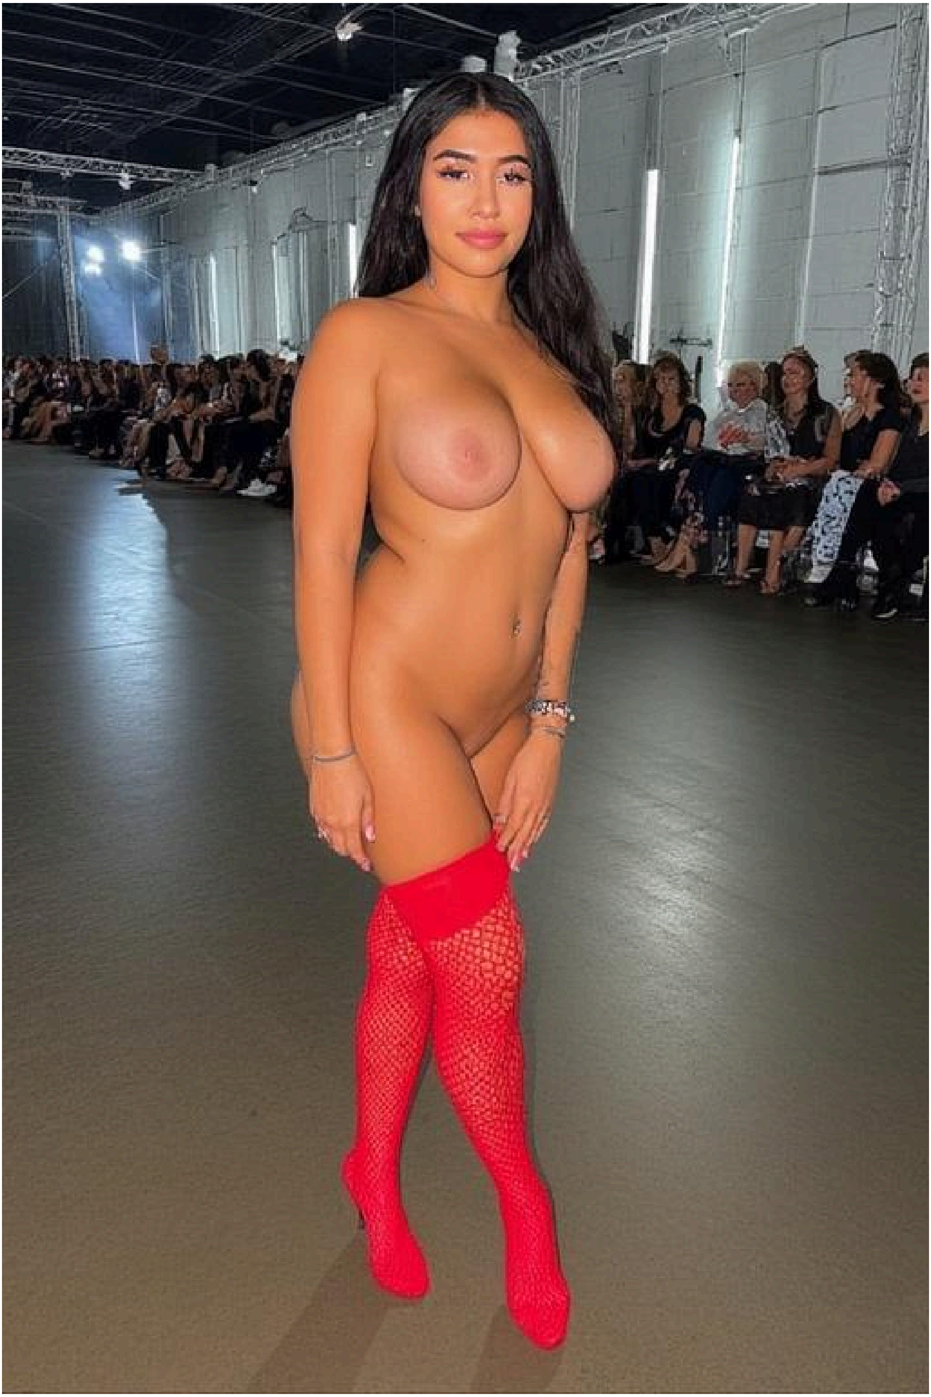
In some parts of the world, librarians are required to pose nude. It helps raise money for the libraries, helps with team building exercises, boosts their morale & confidence, and helps them think outside the box. Refusal can lead to a warning, followed by dismissal. Our photography team got the opportunity to witness this at the local library. The librarians posed nude to raise awareness for world hunger.

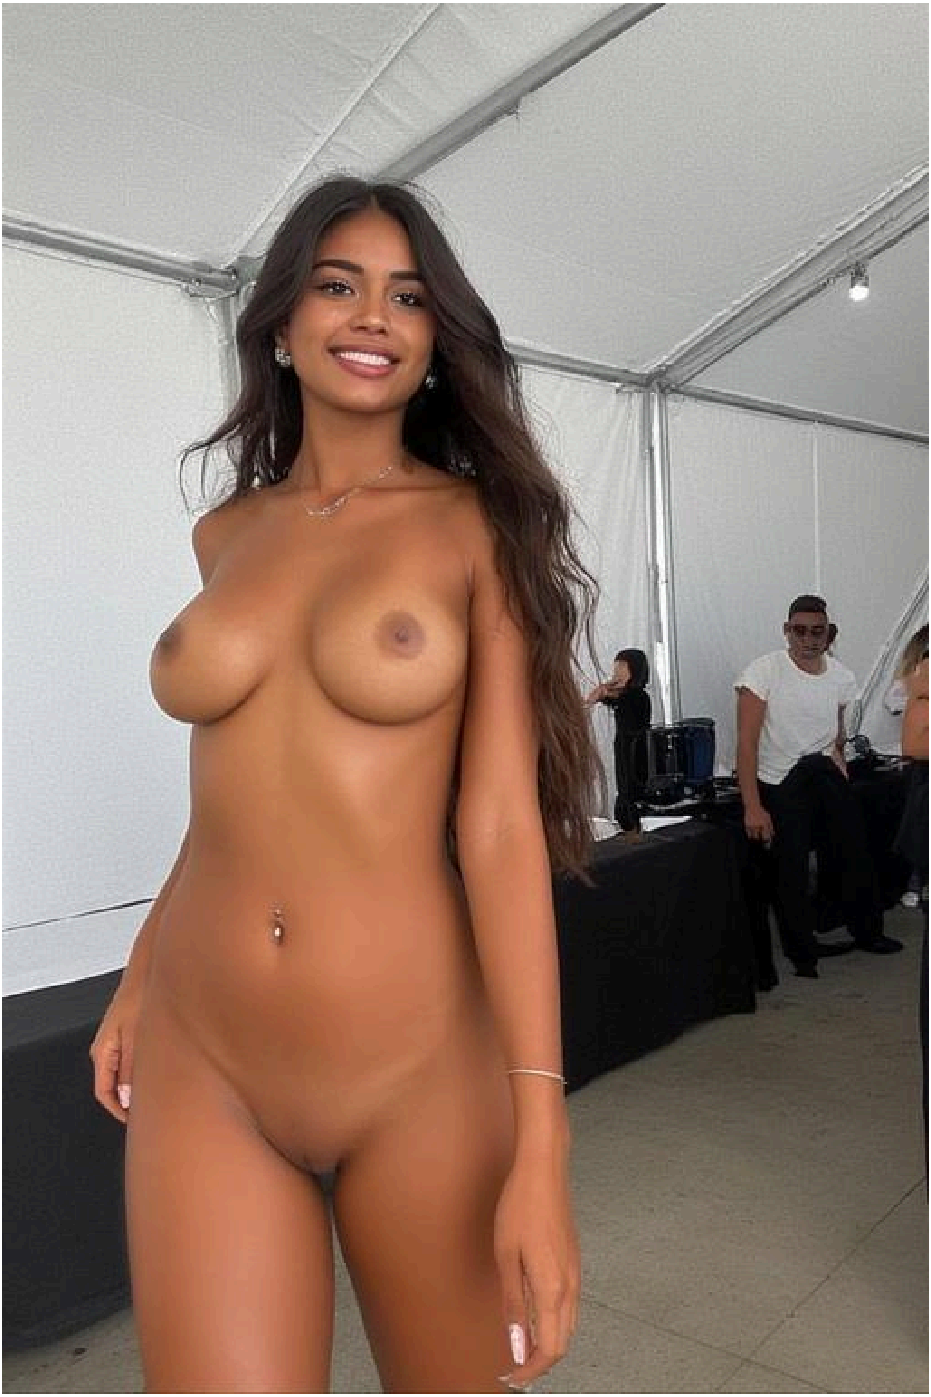


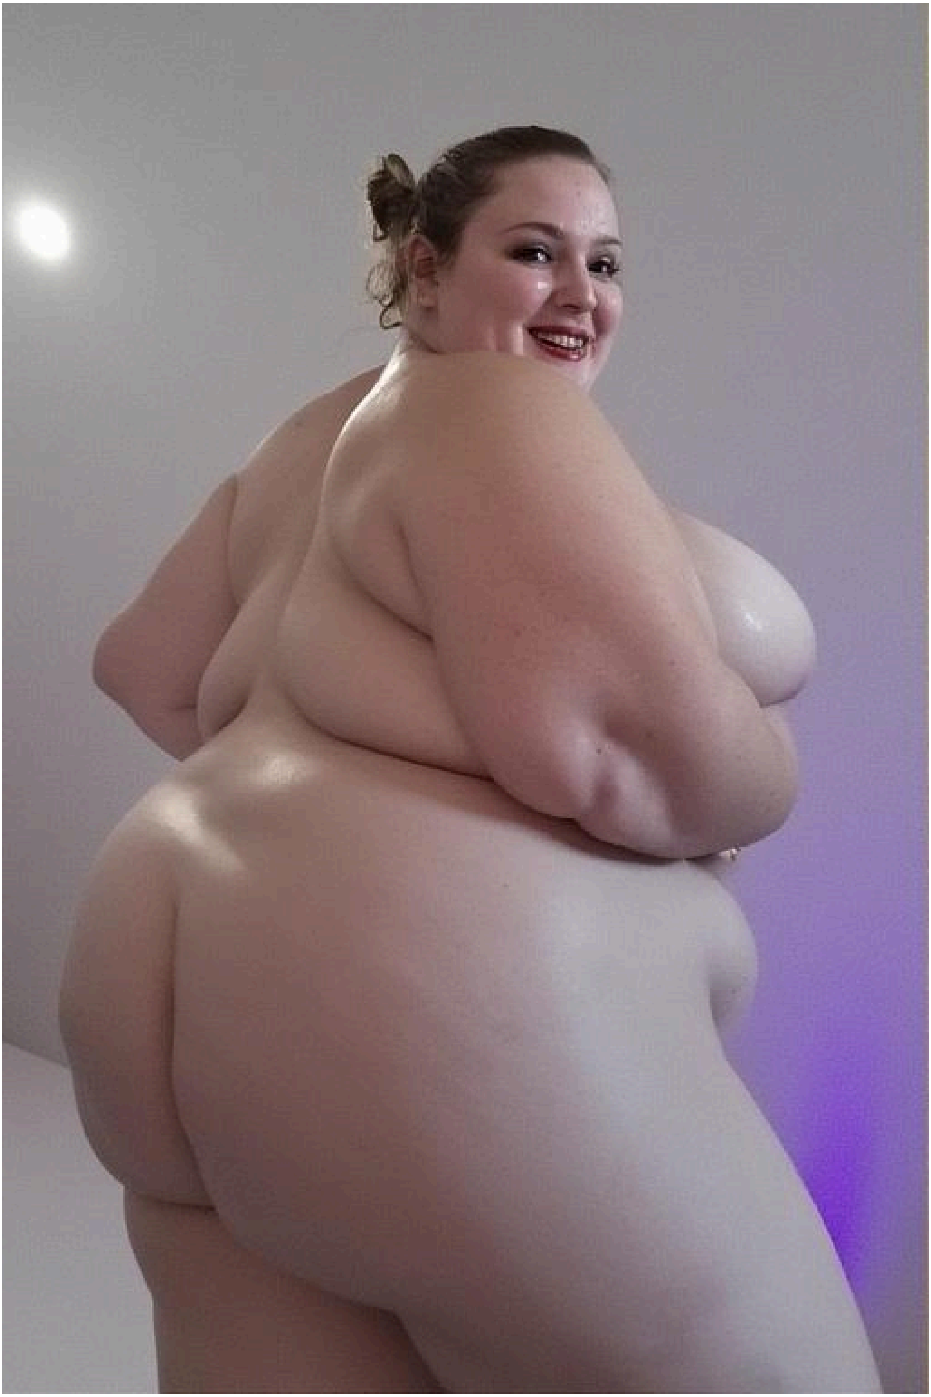
Latin American Women

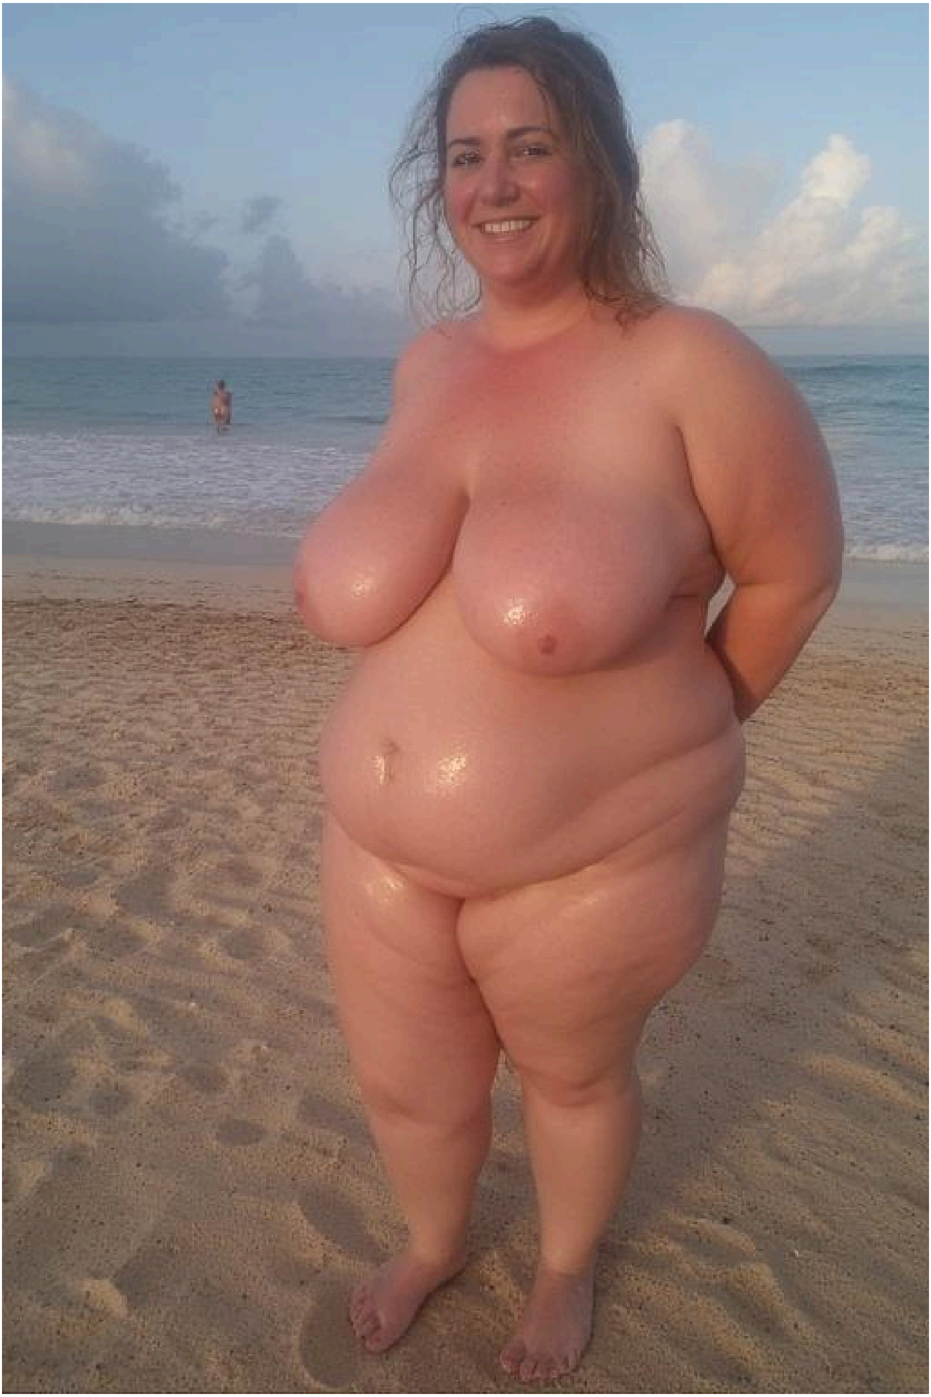
One thing Latin America is famous for, is its women. So we went to a small Latin American country which is desperately poor. It’s so poor that they can’t even afford to have a name! When we offered modelling jobs, we were inundated with enthusiastic women, keen to pose nude.











An Interview With Chelsea

We, of *Perfectly Imperfect Gals* (PIG), recently had an opportunity to talk to Chelsea, that famous supermodel and influencer.

PIG: Hi Chelsea, it's so great to see you again, and photograph you some more.

Chelsea: Yeah.

PIG: We've seen amazing interactions with your celebrity friends and now you've even had offers from Hollywood.

Chelsea: That's right.

PIG: What's your biggest challenge with being in the limelight?

Chelsea: The what?

PIG: The limelight. It means when you're a celebrity and deal with a whole bunch of pressures.

Chelsea: I dunno.

PIG: Okay. Moving in, what would you like to do more of: acting or modelling?

Chelsea: I dunno.

PIG: No worries. Thank you for your time.

Chelsea: Yeah.
